

# THIRD GRADE TRACK 3 WEEKLY NEWS

February 23, 2018

Edition: 23

## What have we been learning? #beingstrategic

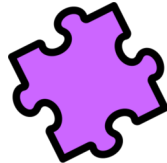

We've had a terrific week twenty-three!  
Here are some highlights in each subject area:

**Reading:** This week we continued our focus on the **literary classic**, *Peter Pan*. The Darling children have finally made it to Neverland, and have started to encounter some wonders and dangers on the island. \*\*Ask your child how Wendy's & Tinker Bell's character traits are similar and different!

**Writing:** This week we practiced using information from *Peter Pan* to take detailed **notes** about each chapter. \*\*Ask your child to share how each chapter has built upon the previous one.

**Math:** This week we continued to explore **area and perimeter** of rectangles and rectilinear shapes. We even practiced finding the area and perimeter of the same shape. \*\*Ask your child to share how they would find the area of a 4 x 9 rectangle.

**Science & Social Studies:** This week we continued our **economics unit** by exploring entrepreneurs and how location impacts supply and demand. \*Ask your child to share the three regions of NC and different goods produced in each one.
