

THIRD GRADE TRACK 3 WEEKLY NEWS

March 2, 2018

Edition: 24

What have we been learning? #beingstrategic

We've had a terrific week twenty-four!
Here are some highlights in each subject area:

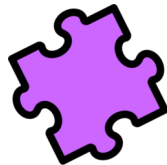

Reading: This week we continued our focus on the **literary classic**, *Peter Pan*. We practiced determining character traits, and discussing point of view. **Ask your child how Wendy was saved from the Mermaid Lagoon.

Writing: This week we practiced using information from *Peter Pan* to take detailed **notes** about each chapter. **Ask your child to share how each chapter has built upon the previous one.

Math: This week we continued to explore **area and perimeter** of rectilinear shapes. We even practiced finding a missing side length. **Ask your child to share what the term rectilinear means.

Science & Social Studies: This week we built upon our **economics unit** by exploring entrepreneurs and how location impacts supply and demand. *Ask your child to share what kind of business they are planning to create, and specific resources they need to get started.

Positivity Project: This week we focused on the character strength social intelligence (being aware of other people's thoughts and feelings).
